CARIBBEAN ADVANCED PROFICIENCY EXAMINATION®
CARIBBEAN STUDIES

Paper 01

1 hour 30 minutes

30 MAY 2019 (p.m.)

READ THE FOLLOWING INSTRUCTIONS CAREFULLY.

1. This test consists of 45 items. You will have 1 hour and 30 minutes to answer them.
2. In addition to this test booklet, you should have an answer sheet.
3. Do not be concerned that the answer sheet provides spaces for more answers than there are items in this test.
4. Each item in this test has four suggested answers lettered (A), (B), (C), (D). Read each item you are about to answer and decide which choice is best.
5. On your answer sheet, find the number which corresponds to your item and shade the space having the same letter as the answer you have chosen. Look at the sample item below.

Sample Item

Cultural renewal refers to the revival of

Sample Answer

- (A) the art form
- (B) cultural practices
- (C) natural resources
- (D) human interaction

The best answer to this item is “cultural practices”, so (B) has been shaded.

6. If you want to change your answer, erase it completely before you fill in your new choice.
7. When you are told to begin, turn the page and work as quickly and as carefully as you can. If you cannot answer an item, go on to the next one. You may return to that item later.
8. You may do any rough work in this booklet.

DO NOT TURN THIS PAGE UNTIL YOU ARE TOLD TO DO SO.

35. In research, the process of identifying a problem to be investigated involves
- (A) interpreting data
 - (B) formulating a feasible topic**
 - (C) conducting an archival search
 - (D) making inferences from statistical data
36. Which of the following terms is used to describe a statement that is tested by collecting and analysing objective evidence?
- (A) Premise
 - (B) Indicator
 - (C) Hypothesis**
 - (D) Assumption
37. In which of the following groups of sampling does purposive sampling fall?
- (A) Random
 - (B) Probability
 - (C) Convenient
 - (D) Non-probability**
38. A researcher gathered a group of persons in one location. He wanted to get their responses on a specific issue. Which of the following methods of data collection did the researcher use?
- (A) Survey
 - (B) Face-to-face interview
 - (C) Focus group discussion**
 - (D) Participant observation
39. A researcher wants to conduct a qualitative study on traditional dances. Which of the following data sources would be useful?
- I. Video footage
 - II. Oral historians
 - III. Bureau of Statistics
- (A) I and II only**
 - (B) I and III only
 - (C) II and III only
 - (D) I, II and III
40. Which of the following is the first step in selecting a sample for research?
- (A) Defining the population**
 - (B) Determining how to randomize
 - (C) Compiling a list of the participants
 - (D) Deciding how to stratify the population
41. Which of the following methods is BEST used for gathering data in quantitative research?
- (A) Discussion
 - (B) Questionnaire**
 - (C) Individual interview
 - (D) Participant observation
