FORM TP 2018175

CARIBBEAN EXAMINATIONS COUNCIL

CARIBBEAN ADVANCED PROFICIENCY EXAMINATION®

COMMUNICATION STUDIES

Paper 01

1 hour 30 minutes

04 JUNE 2018 (a.m.)

READ THE FOLLOWING INSTRUCTIONS CAREFULLY.

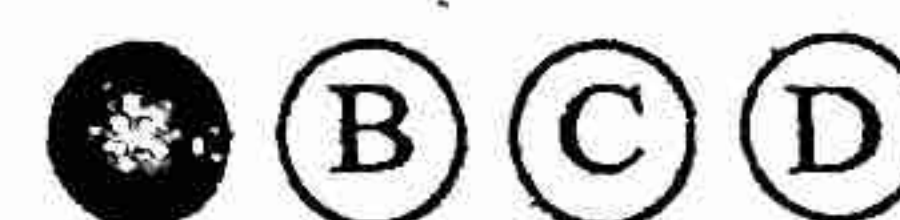

1. This test consists of 45 items divided into two sections, A and B.
2. Section A, based on a communication extract, consists of 7 questions. The extract, which is NOT included in the question booklet, will be read to you twice but you will be allowed two minutes to look at the questions before the extract is read to you.
3. Section B consists of 38 questions. Answer each question based on the information given.
4. In addition to the test booklet, you should have an answer sheet.
5. Each item in this test has four suggested answers lettered (A), (B), (C), (D). Read each item you are about to answer and decide which choice is best.
6. On your answer sheet, find the number which corresponds to your item and shade the space having the same letter as the answer you have chosen. Look at the sample item below.

Sample Item

Which of the following is an advantage of the questionnaire as a data collection method?

- (A) Ease of administration
- (B) Immediacy of feedback
- (C) Openness of discussion
- (D) Opportunity for clarification

Sample Answer

The best answer to this item is "Ease of administration", so (A) has been shaded.

7. If you want to change your answer, erase it completely before you fill in your new choice.
8. When you are told to begin, turn the page and work as quickly and as carefully as you can. If you cannot answer an item, go on to the next one. You may return to that item later.

DO NOT TURN THIS PAGE UNTIL YOU ARE TOLD TO DO SO.

SECTION A

Items 1-7

Instructions: Listen carefully to the extract as your teacher reads it and then answer Items 1-7.

1. Which of the following BEST captures the main concern conveyed in the extract
 - (A) The durability of the living room furnishings
 - (B) The pride that can result from preserving family heirlooms
 - (C) The decline and exhaustion which is a consequence of living
 - (D) The dreams and aspirations of the family who inhabited the room
2. The expression "indestructible contradictions" as used in the extract BEST suggests that the
 - (A) room was a contradictory place to be
 - (B) room and its furnishings were indestructible
 - (C) changes in the room over the years could not be contradicted
 - (D) difference between the room's appearance and reality could not be ignored
3. Which of the following literary devices are MAINLY used in the extract?
 - (A) Metaphor and paradox
 - (B) Metaphor and contrast
 - (C) Personification and paradox
 - (D) Contrast and personification
4. Mama is perhaps the only member of the family to remember the furnishings as they were at some time in the past because she
 - (A) is the most observant member of the family
 - (B) is the only one to clean and care for them
 - (C) might have selected and arranged them in the room
 - (D) is the only one who knows how the family's fortune had declined
5. The pervading mood of the room in the extract is one of
 - (A) decline and hope
 - (B) decay and decline
 - (C) optimism mixed with despair
 - (D) disappointment mixed with hope
6. The expression "show itself under acres of crocheted doilies and couch covers" is an example of
 - (A) irony
 - (B) hyperbole
 - (C) comparison
 - (D) juxtaposition
7. The writer's attitude towards the room indicates a sense of
 - (A) muted admiration
 - (B) concerned despair
 - (C) triumphal optimism
 - (D) careless indifference

DO NOT WAIT FOR THE EXAMINER TO TELL YOU TO GO TO THE NEXT PAGE.

Items 28–30

Instructions: The following conversation about a funeral service took place between these two persons in a shoe store in Jamaica. Read it carefully and then answer Items 28–30.

Percy: I can't believe that Mavis gone, but I'm really glad she had a great funeral.

Mildred: The kids and grandkids came from foreign for the funeral?

Percy: Yes, Ma'am. One of them talk so nice, like the people in the television shows. But the other one! Poor Mavis must be spinning in her grave.

5 **Mildred:** What you mean?

Percy: Well, I couldn't understand a thing he was saying during the eulogy he was giving. All I could hear was 'I and I this' and 'I and I that'. He should know that people don't talk so in church.

28. What does Percy's statement "He should know that people don't talk so in church" suggest?

- (A) Mavis' grandson is disrespectful in church.
- (B) Percy does not like Mavis' grandson.
- (C) Context is critical to the choice of code.
- (D) Christians speak differently from others.

29. From Percy's statements, what are the two varieties of language MOST likely spoken by Mavis' grandchildren?

- (A) Jamaican English and English Creole
- (B) Rastafarian English and English Creole
- (C) Television English and Rastafarian English
- (D) Standard English and Rastafarian English

30. Which of the following technological devices might NOT help to enhance the delivery of the eulogy?

- (A) Camera
- (B) Microphone
- (C) Musical accompaniment drums
- (D) A projected slide presentation

Items 31–33

Instructions: Read the following extract carefully and then answer Items 31–33.

Ten students from McIntosh High in Jamaica are visiting Cuba to improve their knowledge of Spanish and Cuban culture. They are being hosted by students from José Martí High. When the students return to school in Jamaica, they will be required to write a report on their experience.

31. Which of the following contexts of communication BEST describes the interaction between the two groups of students?
- (A) Public
 - (B) Intercultural
 - (C) Interpersonal
 - (D) Organizational
32. In which of the following genres will the report MOST likely be written?
- I Narrative
 - II. Exposition
 - III. Argument
- (A) I and II only
 - (B) I and III only
 - (C) II and III only
 - (D) I, II and III
33. While in Cuba the students attended a seminar. The guest speaker noticed that many of the visitors seemed restless during his presentation, even though he was speaking audibly. Which of the following was NOT likely responsible for their restlessness?
- (A) He was speaking too fast.
 - (B) He was speaking in a monotone.
 - (C) He was using many unfamiliar words.
 - (D) He complemented his speech with projected slides.

Items 34–37

Instructions: Read the following scenario carefully and then answer Items 34–37.

During assembly, Sally, a fifth-form student, gives the following speech on the topic “Why I am proud to be from the Caribbean”. While she is giving her presentation, some students keep covering their mouths and snickering. However, Sally does not notice this because her eyes are glued to the paper from which she is reading.

“A pleasant good morning. How are you, friends and family? Let me see the hands of those who are having a good time. Come on; let me see the hands of those who are having a good time. Wave your hands and say, ‘Yeah, yeah!’

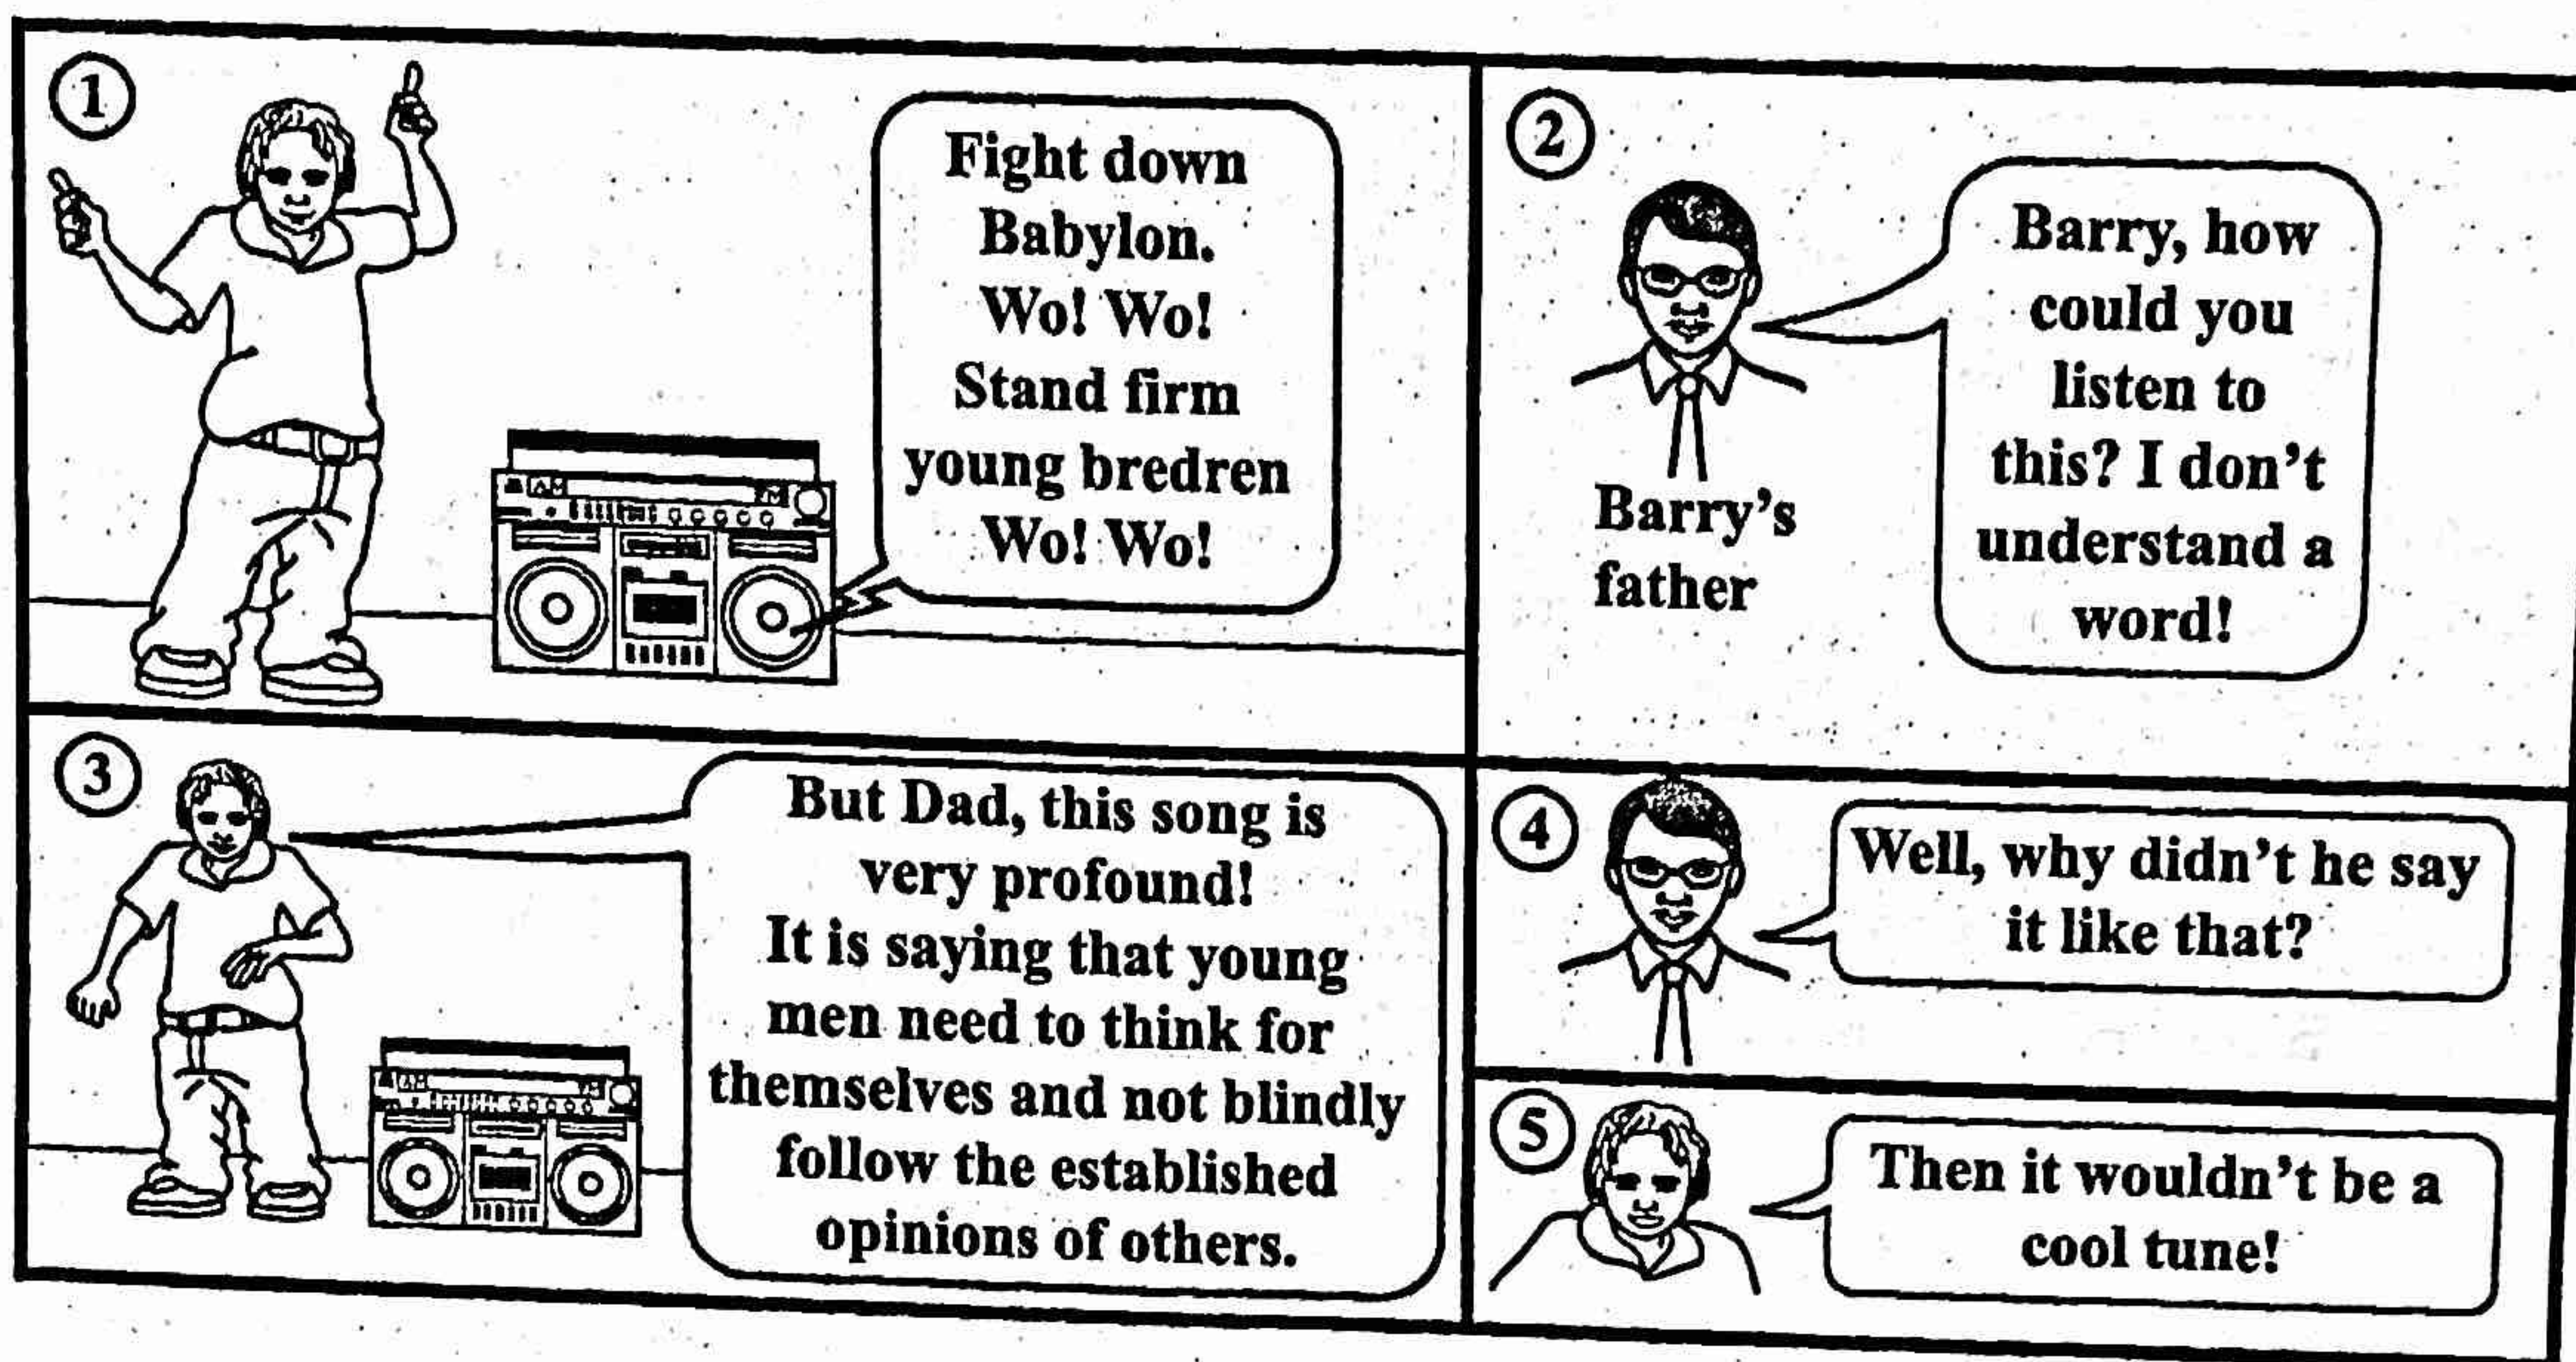

Okay. I am proud to be from the Caribbean because my parents are of African descent. The Caribbean is mostly black country; therefore, most of the people are black. I am one of them. My father black, my mother black and my brother black. We all black.”

34. At which stage of the communication process does Sally generate ideas for her speech?
- (A) Decoding
 - (B) Interpreting
 - (C) Conceptualizing
 - (D) Giving feedback
35. Which of the following BEST explains why some students were “covering their mouths and snickering”?
- (A) They identified with Sally.
 - (B) The presentation was too boring.
 - (C) They were angry at Sally’s choice of words.
 - (D) They were amused by Sally’s choice of words.
36. Which of the following messages is being sent by Sally’s lack of eye contact?
- (A) She is nervous.
 - (B) She is well-prepared.
 - (C) She articulate enough.
 - (D) She did enough research.
37. Which of the following BEST describes the type of discourse in Sally’s speech?
- (A) It is argumentative.
 - (B) It is mainly expository.
 - (C) It is mainly conversational.
 - (D) It is a mixture of narrative and argument.
